Market Value (\$)

150

Narrative

Incident Description

I went grocery shopping at Safeway in a Gig rental car at around 10:40pm and stayed inside the grocery store for ~40 minutes. I left a backpack under the passenger seat, and when I came out, the passenger window was shattered and the backpack was taken. There was a broken bottle a few feet away from the car, which could have been used to break the window.
